

Advanced Notice of the proposed LEAP 2018 Principals' Study Tour

Let's explore Singapore

The quiet high-achiever on the international scene

What is the secret of their success?

Saturday 14th April - Sunday 22nd April 2018 (Autumn vacation)

LEAP invites applications to participate in an educational Study Tour facilitated by the internationally acclaimed Singapore Principals' Academy - not to be missed. This tour is for principals, keen to: (1) understand the Singaporean Education System: the history; the current system; and the future vision; (2) explore the high-status of education within the Singaporean culture; and (3) examine teacher (principal) quality assurance mechanisms for ensuring and advancing high quality performance at all levels.

Designed to meet the current and future needs of principals, this LEAP Study Tour will provide an integrated program of school and college visits; workshops with educators and researchers; meetings with principals/principals' associations, and key systems' officials (as well as sight-seeing in world famous locations).

This April (2018) 9 days & 8 nights LEAP 2018 Principals' Singapore Experience includes:

- ★ All accommodation at a 4 star business hotel, breakfasts, lunches at various Singapore venues and transfers to and from the airport.
- ★ 5 day educational leadership program delivered by the Principals' Academy (including transport by charter bus to and from workshop venues) involving:
 - ✓ 4 half-day workshops with representatives of the Singapore Principals Academy to explore the Singapore system; teacher performance management and assessment standards; student evaluation and assessment system; teacher professional learning strategies; teacher capacity building; leadership preparation and selection processes.
 - ✓ 3 school visits: primary, secondary and junior college (including transport by charter bus to and from the schools).
- ★ City tour (with Local Guide) – explore Merlion Park; Lim Bo Seng Memorial Tower, Parliament House, Supreme Court, City Hall and Cavenaugh Bridge.

Participants will have evenings free, to explore Singapore and experience the variety of dining opportunities that this culturally rich city has to offer.
